The image shows the FYCMA Calendario 2025 / 2026, which is a large, detailed calendar for the year 2025-2026. The calendar is organized into several columns representing different months, each with a list of events. The events are described with titles, dates, and hashtags. The design features a blue and white color scheme with a modern, clean layout. At the bottom of the page, there is a QR code, a call to action to consult the updated calendar, and various logos and mentions of partner organizations like APE, APCE, and APGM.
